**About FORESITE**

Foresite Realty Partners was founded on the basis of successfully creating a platform that merges the entrepreneurial and institutional experiences of its senior management team over the last 33 years to effectively and efficiently respond to today’s real estate market.

In thousands of assignments with a value exceeding \$9 billion, our mission has consistently been to maximize the value of complex real estate transactions for our clients, partners, investors and lenders by using Foresite and implementing innovative, flexible and cost effective solutions pertaining to all aspects of a transaction. Our diverse and proficient professional team accomplishes this mission through exhaustive market research, asset evaluations, strategic planning and solution oriented execution, while being cognizant of various transaction structures and the corresponding goal of the stakeholders.
